OneW: Good afternoon, Sir! Is there any thing I can do for you?M:Oh, yes, please! I ' ve heard that Lisa ' s new record is available now and I can ' t wait to have one copy.W: You must be a super fan of Lisa.M:Yes, sure.I ' ve tried several record stores but all proved in vain.They were sold out.This might be my last chance.W: Let me check...I feel so sorry, sir.Lisa ' s new records are sold out.M:Oh, no, not again! I thought this store would be my last resort! After all, your store is the biggest one in this block.W: I clearly remember there were several copies left this morning.Let me check it again.M:Oh, please, thanks very much!W: Sir, there are indeed two copies left, but not in this store.M:What do you mean?W: We have another store next block.If you don ' t feel bothered to travel a bit longer and fetch it yourself, we can reserve one copy for you.M:No problem! I ' ll go there right now!W: Wait please, Sir! I ' m afraid you have to pay 10% of what the record costs in advance, as the reservation fee.Otherwise, we have no right to reserve any record.M:I see...W: But don ' t worry, sir! The reservation fee will be paid back to you after you buy the record.M:OK.I understand.So, do I have to go over the reservation procedure now? W: Yes.Here it is.Please fill your information in this customer card and pay the reservation, and then you can buy the record in our record store next block.M:Thanks a lot! I appreciate your help! Conversation Two

W: Hi, Jim! I haven't seen you for quite a long time! Where have you been?

M:Hi, Susan! I've been traveling in the past two months and have just got back.

W: Really? Traveling! Oh, that's the last thing I think you'll ever do! I always thought you were more into staying indoors.

M:You were right! But I began to take interest in traveling only three months ago.I thought that might be a good way to inspire my writings.And it sure is.

W: Why do you think so?

M:Well, I had spent half a year in creating my new novel but I was rather unsatisfied by what I had written down.So I decided to pack up and set out to experience the rich life out there.

W: I see... So how do you feel about your travel, anyway?

M:It was so amazing! You have absolutely no idea of how many interesting people and stories I have encountered!

W: Oh, It seems you were indeed inspired!

M:Sure! I went to a very small village somewhere in southwestern China.It was a peaceful and beautiful place.I spent the whole two months there living with the villagers and experiencing their life.

W: That must be a brandnew story!

M:Yes! I was much inspired by their kindness, diligence, and, most of all, their optimistic attitude towards life.

W: So, you are going to include all this into your creation?

M:Not exactly all of that! I will base my works on their stories but I'd like to emphasize their optimistic attitudes.

W: What do you mean?

M:You see... People's life are becoming more and more stressful everyday and they really need to adjust their attitudes to face all the challenges in life.So I plan to write

something not only true but also encouraging.W: That sounds an excellent idea...Q5.What does the woman think the man likes to do?Q6.What problem does the man have?Q7.What may become the most important theme in the man ' s new novel? 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
