TOEIC -- Test of English for International Communication

GENERAL DIRECTION

This is a test of your ability to use the English language. The total time for the test is approximately two hours. It is divided into seven parts. Each part of the test begins with a set of specific directions. Be sure you understand what you are to do before you begin work on a part. You will find that some of the questions are harder than others, but you should try to answer each question to the

best of your ability. Your score will be based on the number of questions you answer correctly. Do not mark your answers in this test book. You must put all of your answers on the separate answer sheet that you have been given. When putting your answer to a question on your answer sheet, be sure to fill in the answer space corresponding to the letter of your choice. Fill in the space so that the letter inside the circle cannot be seen, as shown in the example on the following page.

EXAMPLE Mr. Jones _____ to his accountant yesterday. (A) talk (B) talking (C) talked (D) to talk

Sample Answer
(A) (B) (C) (D)

The sentence should read, “ Mr. Jones talked to his accountant yesterday. ” Therefore, you should choose answer (C). Notice how this has been done in the example above. Mark only one answer for each question. If you change your mind about an answer after you have marked it on your answer sheet, completely erase your old answer and then mark your new answer. You must mark the answer sheet carefully so that the test-scoring machine can accurately record your test score.
