This twice removed friend could be an imperial agent. You ' d end up on Kessel, or worse. If rebel outposts were so easy to find, the Empire would have wiped them out years ago." "I know it ' s a long shot," Biggs admitted reluctantly. "If I don ' t contact them, then" a peculiar light came into Biggs ' s eyes, a conglomeration of newfound maturity and... something else "I ' ll do what I can, on my own." He stared intensely at his friend. "Luke, I ' m not going to wait for the Empire to conscript me into its service. In spite of what you hear over the official information channels, the rebellion is growing, spreading. And I want to be on the right side the side I believe in." His voice altered unpleasantly, and Luke wondered what he saw in his mind ' s eye. "You should have heard some of the stories I ' ve heard, Luke, learned of some of the outrages I ' ve learned about. The Empire may have been great and beautiful once, but the people in charge now" He shook his head sharply. "It ' s rotten, Luke, rotten." "And I can ' t do a damn thing," Luke muttered morosely. "I ' m stuck here." He kicked futilely at the ever-present sand of Anchorhead. "I thought you were going to enter the Academy soon," Biggs observed. "If that ' s so, then you ' ll have your chance to get off this sandpile." Luke snorted derisively. "Not likely. I had to withdraw my application." He looked away, unable to meet his friend ' s disbelieving stare. "I had to. There ' s been a lot of

unrest among the sandpeople since you left, Biggs. They ' ve even raided the outskirts of Anchorhead." Biggs shook his head, disregarding the excuse. "Your uncle could hold off a whole colony of raiders with one blaster." "From the house, sure," Luke agreed, "but Uncle Owen ' s finally got enough vaporators installed and running to make the farm pay off big. But he can ' t guard all that land by himself, and he says he needs me for one more season. I can ' t run out on him now." Biggs sighed sadly. "I feel for you, Luke. Someday you ' re going to have to learn to separate what seems to be important from what really is important." He gestured around them. "What good is all your uncle ' s work if it ' s taken over by the Empire? I ' ve heard that they ' re starting to imperialize commerce in all the outlying systems. It won ' t be long before your uncle and everyone else on Tatooine are just tenants slaving for the greater glory of the Empire." "That couldn ' t happen here," Luke objected with a confidence he didn ' t quite feel. "You ' ve said it yourselfthe Empire won ' t bother with this rock." "Things change, Luke. Only the threat is completely removedwell, there are two things men have never been able to satisfy. their curiosity and their greed. 100Test 下载频道开通 , 各类考试题目直接下载。 详细请访问 [www.100test.com](http://www.100test.com)
