阅读下面的短文，文章中有5处空白，文章后面有6组文字，请根据文章的内容选择5组文字，将其分别放回文章原有位置，以恢复文章原貌。请将答案涂在答题卡相应的位置上。

Read with Greater Speed Do you have difficulty reading in class? If so, a special reading program that helps match sounds with letters could speed up your brain . At least one out of every five elementary school students in the US has trouble learning to read , even when the students are good at other subjects . ____ (46) Researchers from Yale University, US, studied a group of children from New York and Connecticut State . As part of the study , 37 struggling readers received special tutoring Every day, instructors worked with them on recognizing how written letters represent units of sound called phonemes (音素) ____ (47) By the end of the school year , these children could read faster than before . They also made fewer mistakes , and understood more of what they read than they could earlier in the year, As part of their study , the researchers used a special machine to take action photos of the students brains . ____ (48) This is the same part of the brain that becomes active when good readers read . This activated brain area appears to include a structure that helps people recognize familiar written words quickly . In lower level readers , this structure remains inactive . A year later, the brain structure was still

working hard in the students who had gone through the special tutoring , and they continued to do well in reading tests . ____ (49) However , some researchers still doubt the study_____ (50) A Many adults are interested in matching sounds with letters B The students also practiced reading aloud and spelling C The biggest challenge for many of these kids , scientists say, is matching sounds with letters . D Another group in the study who went through a more traditional reading program didnt show the same progress . E The pictures showed all increase in activity in the back of the brain on the left side F They believe that reading without making any noise or linking words to sounds is more efficient . 答案: 46 C 47 . B 48 . E 49 . D 50 . F 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 www.100test.com
