Whenever you see the old film, even one made as early (26) as ten years before, you can't help being struck (27) by the appearance of the woman taking part. Their hair-styles and make-up look dated. Their shirts look either too long nor too short. Their general appearance (28) is, in fact, slightly ludicrous. The men taking part, on the other hand, are clearly recognizable. There is something about their appearance to suggest they belong (29) to an entirely different age. This illusion is created by changed fashions. Over the years, the great (30) majority of men has successfully resisted all attempts (31) to make them to change their style of dress. The (32) same cannot be said for women. Each year a few so-called top designers in Paris and London lay down (33) the law and women the whole world over run to (34) obey. The decrees of the designers are unpredictable and dictatorial. Sometimes they decide arbitrarily that skirts will be short and waists will be high. Hips (35) are in and buttons are out. 答案:26. the改为an 27.strucked改为struck 28. nor改为or 29. something改为nothing 30.changed改为changing 31. has改为have 32. 去掉to 33. so-call改为so-called 34. 去掉on 35. height改为high 100Test 下载频道开通, 各类考试题目直接下载。详细请访问 www.100test.com
