We are willing to resume cross-Straits dialogue and negotiations based on the "One China" principle. However, we will never allow anyone to separate Taiwan from China in any way. Once again, I call on all Chinese people, including Taiwan compatriots, to unite to oppose and contain the so-called "Taiwan independence forces" and their activities, and strive for an early reunification of the country. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
