Describe your home town. What are the disadvantage and advantage of your hometown. Whats your current accomodation, describe it. 2nd part: Tell me onething you would like to learn to. *what is it? *why you want to learn? *where would you like to learn it?... 3rd part: Tell me some rules on campus. How does the elder people think of the youngsters dressing habit? what kind of clothes you like? Do students get some non-academic training at school? Give some examples. Is there any change on educational style between generation of your parents and current students? 这只是大意，不是十分的精确，而且还有一些问题记不大清了。不好意思。：）我的感觉是，只要轻松的进入状态，把考官当作聊天的对象，就能够发挥出比较好的水平。每次在我正要展开再说点的时候，就会被打断了，让我觉得好像有头无尾，不知道这算不算是好兆头。希望一切顺利！也希望每一个人都取得满意的成绩！100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
