让你确定是那一个TYPE,另外是给出了文章中引言的作者和年代,让你匹配引入这句话的目的是什么.本来对我的阅读部分还是比较有信心的,结果这次连题目都没有看完,因为我作到20题的时候都已经30多分钟了,匆匆做完了section2的第一部分后,还剩20分钟,我就跳到后面作section3,花了大概10几分钟,最后剩了几分钟回过头来做section2的第二部分T/F/NG.结果就乱猜一起.不知道运气怎么样.由于阅读考的不好,就影响了我写作.sightask1是讲你买了财产保险,现在丢了东西,要写封信给保险公司,要求是描述丢失情况,告诉他们你想他们什么样.task2是现在一些人希望学生多学点general subjects,另一些人希望学生不满17岁就开始学习speciality subjects.问你agree or disagree.give some reason.因为上一个部分时间不够,所以我就特别紧张,老是担心写作的时间也不够,拿起笔就写,结果.....直到交卷的时候才看了后面一句话.... and give your experience relevent about it. 本来我还觉得我的作文写的不错.这下看来惨了.(((我是下午第一个考听力的,这样也好,可以快点结束了我痛苦的ielts考试.考官都是比较和蔼可亲的,比上课的时候那个MIKE态度都好,先是他叽哩瓜啦对着话筒讲了一通,介绍他是TONY什么的.然后告诉我正式开始了.T:now lets biging,in this section ,we will talk about you,your hometown and otherthings.mekT:could u tell me you first name?me:my first name is ***,and u can call me ***,because *** is my english name.T:could u tell me where are u from?me:I am from **.It is a small and peace town beside changjiang river,which is thelongest river in china.T:could u tell something about people in your hometownme:People in my hometown is very traditional,so they

keep a lot of traditional habit, just like hospitable, honest, thriftily. To you learn more from them? me: sorry, because I only had stayed there for 17 years. and most of my time is in school. so I don't have much time to be with them. T: Let's talk about your second school and high school, could you tell your second school and high school to me? T: What do you think which is better if you go from a small town or modern city? ... T: could you tell me Chinese food? me: I think Chinese food is the most delicious food in the world and most of Chinese people like and are good at cooking. And there are a lot of Chinese restaurants around the world. T: Can you cook? me: no, because my work is very busy so I don't have time to cook myself. 然后开始第二部分, 他就给我一张纸, 描述 interesting trip. when, who with, what's interesting. 我就叽哩呱啦的讲了一大通, 感觉时间还是可以的啦, 只要你会瞎编乱造. 第三部分 --- what's interesting place do you suggest foreigners to go? 我想这道题我理解错了, 因为我讲的 TRIP 是去 VIETNAM 的, 所以我想大概他是问我在 VIETNAM 有什么景点. 但是我回答成在中国了. 而且我错误的说了黄山, 除了描述它是一个 beautiful mountain 之外, 我都不知道用什么去描绘他. 惨了. --- what do you advise people bring to travel in China? 反正都快完了, 我就随便说了点, 什么药呀, 护照呀, 钱呀等. 总的感觉是和我在上强化班的时候训练的题不一样, 可能没有这种考试经验吧. 本来我想我能拿6分, 看来现在最多就5分了. 100Test 下载频道开通, 各类考试题目直接下载. 详细请访问 www.100test.com
