Small as it may , our department takes pride in having close ties among the staff like a family. Let me introduce our staff , or shall I say , parents and brothers and sisters of the department ? Sitting at the center of the office is the head of our department , Mr. Wang. He is our boss , but he never bosses us around. He is a very thoughtful and paternal person who protects us like a parent. Across from Mr. Wangs desk are Mr. Shong , Mr. Wu , Mr. He , and Mr. Zhou , from right to left. They are the familys older brothers , so to speak , because of their long and outstanding career in this department. Sitting at the corner of the room are two lovely sisters of our family , Ms. Chen and Ms. Liu. They have all the staffs respect and trust for their dedication to work. So that is our department. We hope you will enjoy visiting with us. 100Test 下载频道开通，各类考试题目直接下载。详细请访问
