or Borrowing Books? (1)有些人认为书应该借来看 (2)有些人认为书应该买来看 (3)你的选择？ Buying or Borrowing Books?

Books can arm us with knowledge and information we need to make success of life. There are generally two ways in which we can have access to books: borrowing or buying. While millions are borrowing books, I still think buying them best suits me and gives me the greatest pleasure. Many people choose to borrow books. For one thing, borrowing books can save us huge amounts of money. For another, if we borrow books from the library or friends, we normally have deadline to finish them. And consequently we can read more books in a limited time, just as a famous Chinese saying goes,

“ books can not be read unless borrowed. ” I believe that advantages for buying books are more obvious and compelling.

Firstly, we can keep the books as long as we wish. Secondly, we can take whatever notes on the margin of the pages of the books. Finally, the process of selecting and keeping books can be a great fun.
