Michael Jackson Michael Jackson was born in 1959 in Tennessee, U.S.A.. He has four elder brothers and the five of them used to sing in a group called "The Jackson Five". They started singing in 1965, and became popular soon. In 1970 the group made their first record with the name of "I Want You Back", which was so successful (成功的) that it became a best seller in both America and Britain. Michael was good at dancing as well as singing. He was asked to act in a film in 1978 for the first time, and in the same year he made a record on his own, which sold eight million copies all over the world. This was the beginning of his success. Though Michael is very famous, he enjoys being unsocial and lives in a large house alone with

many animals which he regards as his close friends and he seldom goes out except that he has to give performances in the public.
