accordion n. 手风琴 accost v. 向人搭话 account n. 记述，描述；报道，报告；说明，解释；户头，账目；理由，根据；考虑
accounting n. 会计学 accountant n. 会计员，会计师 accredit vt.

委派官员到国外，授权；鉴定...为合格，确认.....达到标准

accumulate vi. 堆积，积累；积聚 For the last ten years, I have written novels for a living. Through my work, I have been able to accumulate a fair amount of wealth. I have been lucky because many of my books have received acclaim from literary critics. My latest accomplishment is a mystery novel. It is a fictional account of how a clever and accomplished thief, posing as an accountant, gain access of the computer of a large bank. Having extensive knowledge of accounting, he and a woman accomplice use the banks computer system to accomplish the biggest theft in history. To be a good writer, I think you must find a quiet environment where you can think,

preferably one with limited accessibility. Some of my acclaimed work was written at an isolated island hotel off the coast of China. I highly recommend this place. The island is accessible only by boat and the hotel is accredited by the Asian Resort Association as a five-star accommodation. Upon arrival, the manager will accompany you to your room and show you how everything works. The staff was trained to accommodate your every need. Any errors in service are purely accidental. The security is excellent and there's little chance of being accosted by strangers. Each room has a balcony with a view of the ocean. On the balcony you will find a large leather chair and a study writing desk. The bathroom is very modern and contains many unique accessories. The most useful bathtub accessory is their mini-desk, which allows you to write while soaking in a tub of hot water. To continue being a good writer, you must find a way to relax your mind after a long day of writing. What's my secret method of relaxation? Playing the accordion!
