The number of E-books is constantly on the rise as a result of the rapid development of information technology . It is thought by some people that E-books might replace traditional books in some time because of various advantages of E-books over paper ones . A great variety of reasons are held by people with the above viewpoint in which economy is the key factor to make such prediction attainable . To start with . since all E-books could be downloaded from the internet , most of which are free of charge, whereas paper books in book stores are relatively expensive . Besides, the popularity of E-books could reduce or even avoid the waste of paper . Finally . E-books can be easily stored in our computer or other portable disks while paper books usually occupy too much space on our shelves . In short , E-books have obviously become more and more popular in our daily life . As long as we can ensure the safety of E-books , we can enjoy a better life . 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
