I like reading newspapers best. Its impossible for us to watch TV and use computers freely but we can get all kinds of news from newspapers. Newspapers not only bring news to us, but also provide us with many other things, such as how to cook. I like reading different kinds of newspapers. They are indeed a great help to me.百考试题编辑整理 100Test 下载频道开通,各类考试题目直接下载。详细请访问 www.100test.com
