Its a long time for me to do all kinds of things. I like visiting some places of interest. And I like travelling by train. It takes me too much time, but it saves money. Sometimes I stay at home and do my homework , sometimes I help my parents do some house work. When my parents are free, we often go to the park or the zoo, and we have a good time there. I have a good summer holiday.百考试题编辑整 理100test.com 100Test 下载频道开通,各类考试题目直接下载 。详细请访问 www.100test.com
