it is/was... that强调句式 如果强调的是主语而且是人，也可用who。 例如：强调主语 It was the training that he had received in that well-known trans-national company that made him such a good sales manager. It is they who have made wise decisions in investment. 强调宾语 It is work that they really want, not charity. 强调其它成分 It is because my present job is boring that I decide to change it. It is because she is too inexperienced that she does not know how to deal with the situation. It was not until very recent times that was the theory of “ probability ” looked upon as hardly more than a curiosity. (该句为强调句式 It was not until 强调部分 that 句子其余部分；句子的意思是：正是直到最近，概率论差点被看成一种新奇理论。) 问句形式 Was it for this that we suffered and toiled? Is it because of money that they quarried? It must have been, It might be, It will be 结构 It must have been our new boss that you bumped into yesterday. It might be his poor children that he is thinking of. It will not be you who will have to take the blame for this. 考试 大100test.com编辑 竭诚为你提供全面的优质考试资料！考试 * 大编辑预祝大家 考试 大100test.com捷！ 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
