a lot of things for the people who are in trouble. First, I raised money for them and told others to raise money with. Second, I gave away

some books to them. I know the children need to study, but they lost their books. What ' s more, I really want to write many letters and

I am a No. 2 Middle School student. I ' ve recently made a survey of the students on the ways of relaxing after school. There are 60 students in Class 2 Grade Nine. They have different ways to rest after school. Half of the students often watch TV. Twelve students like playing computer games while eight prefer listening to music. Five students think doing sports is a good way and another five are too busy to relax. However, I have my own ways, such as watching movies, reading novels and so on. They can not only ease stress and minds but also help me learn something useful from great movies and books. Therefore, we should choose a proper way to enjoy our spare time even if we are busy every day. 例3:初三学生洋洋打算在中考结束后利用假期学点东西,画画和游泳她都喜欢,拿不定主意.洋洋写信给朋友Jack征求意见,请你以Jack的身份写封回信,帮助洋洋作出决定. Dear Yang Yang, I ' m glad to receive your E-mail. I think it ' s cool for you to study something you are interested in

this summer vacation. In my opinion, you should choose drawing, as it won't cost you much. Though it's far from home, it doesn't matter. If you really like it, nothing will stop you. What's more, drawing can give you a deeper understanding of beauty and culture. On the other hand, swimming is a good hobby too. But you'll have to pay more for it. Although it's near home, I don't think it's worth it. Besides, when you're free you can go swimming with your friends who are good at it. I'm sure they all like to teach you. Anyway, no matter what you choose, just remember to do what you really like. Best wishes to you and have a wonderful summer vacation. Yours Sincerely Jack
