模拟演练：1. If you won ' t agree to our plan,_____ (他们也不会同意) 2.

_____ (正是由于她太没经验) that she does not know how to deal with the situation. 3. The fifth generation

computers, with artificial intelligence, _____ (正在研制) and perfected now. 4. He wears a pair of

sunglasses _____ (唯恐被别人认出来) 5. Buying clothes _____ (是一件很耗时的工作), because

those clothes that a person likes are rarely the ones that fit him or her.

答案：1. neither will they (neither 表示“两者都不”也表示百考试题“也，也不”的句子，要用部分倒装) 2. It is because she

is too inexperienced (本题考查句型it is because (that) ”表示“正是由于”，因为“没有经验”在句中作表语，所以将其译为形容词形式的“inexperienced”)

3. are being developed (“be being done”现在进行时的被动语态表示此时此刻某事正在被做，其中动词be应随主语作相应变化)

4. for fear that he should be recognized (for fear that 意为“唯恐，就怕”其后要用虚拟语气)

5. is often a very time-consuming job (本题关键在于“耗时”该如何翻译，合成词time-consuming简练而准确) 更多信息
