Larry: Hey, Li Hua. What are you doing? Li Hua: 我刚收拾完房间，现在我要把所有文件分类，然后放在这些不同颜色的文件夹里。 Larry: Wow, you really are a neat freak. Li Hua: 你说我是什么？Neat freak？听上去就不是什么好意思。哎，你别叫那些我听不懂的名字，好不好？ Larry: Calm down. Li Hua. To be neat is to be very clean and orderly. A freak is a person that is really weird or unusual. Together, a "neat freak" refers to someone who likes to keep things extremely clean and organized.我要收藏 Li Hua: 嗯，neat这个词我知道，就是“干净、有条理”的意思，freak就是说一个人和一般人不一样，很古怪。所以，a neat freak就是一个特别爱干净、特别有条理的人。哎，Larry, 你真觉得我是个neat freak吗？ Larry: Yes, see, your room always looks perfect, you always make your bed. You never throw your clothes on the floor. And you have all your papers well organized. Li Hua: 那你和neat freak刚好相反。你的房间总是乱糟糟的，床也不铺，衣服满地乱扔，还有，你的各种学习资料也是到处乱放。 Larry: Well, Im not a neat freak, so I dont care if everything is neat and perfect. Li Hua: 我看哪，Larry, 你就是太懒了I think you are just too lazy。 Larry: Well, maybe I am a little lazy, but look at your room, books, sweaters and even newspapers are stacked in order, and youre a real neat freak. Li Hua: 怎么啦，书呀、毛衣和报纸

当然应该放整齐嘛。这有什么奇怪的？对你来说这可能是过份“有条理”，可能是有点怪。Well, I guess I am a neat freak.
