Operations Manager This is an exciting opportunity for a

Commercial Operations Manager based at our prestigious premises

in the capital. You must bring your successful track record in

contract management skills. Strong commercial awareness and

communication skills are essential characteristics of your approach,

as is the ability to motivate others. You will have considerable

expertise with computers and your commitment to customer service

will be strong. Relevant professional qualifications are a prerequisite

for this post. B来源:百考试题网 Recruitment Consultant

Recruitment consultancy represents a varied, stimulating and

challenging career which will further develop interpersonal and

commercial skills, allowing personal and professional growth. We

offer unlimited career prospects within our management team here

and overseas. Our individually tailored training scheme is one of the

most advanced in the industry. We operate a reward system based on

merit and profit-sharing, not commission or overtime. The

remuneration package is designed to attract outstanding individuals to make a commitment to a long-term business relationship. C来源 : www.examda.com Production Manager来源 : 考试大 We are looking for a Production Manager to play an active role in our fast-growing company. We need a dynamic team player to help drive forward our firm commitment to continuous performance improvement and customer liaison. A background in engineering or processing would be highly advantageous. Working within a fast-changing environment, the ability to manage change effectively is a key requirement. The position is based on a rotating shift system and attracts a highly competitive salary and benefits package. Dwww. Examda.CoM Services Manager The person recruited to fulfill this new role in our fast expanding company will assume full responsibility for all the building and equipment at our head office. The company is currently considering relocation. You will be responsible for the management of communication systems including reception, co-ordination of secretarial support and management of all service suppliers. Some familiarity with computers is desirable. Personality, drive and the ability to set personal goals and high standards within a demanding working week are the main criteria. A degree and/or business qualification will be advantages. E来源 : 考试大 Credit Manager We are seeking a skilled credit professional with exceptional commercial acumen to play a vital role in our European program. You will deal with trade negotiations, account management and legal proceedings. Reporting directly to the Managing Director, you will develop and maintain our credit

policy and take decisions on transactions within assigned authority levels for both existing and first-time client facilities and liaison. Based at our well-situated headquarters, with excellent IT support, you will be prepared to work hard in return for a rewarding remuneration package. 重要词汇和表达：Prestigious. track record. expertise. prerequisite. remuneration. familiarity. criteria. acumen.(百考试题外语编辑整理) 更多信息请访问：百考试题外语站点 百考试题外语论坛 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
