Even then, ___(1)___ seemed a little too American. Now some French lawmakers are preparing to end the act as reform that simply cant work in a country ___(2)___ . Law or no law, smokers and nonsmokers mingle ___(3)___ , whose owners generally ignore requirements to create separate no-smoking sections. French smokers ___(4)___ , in hospitals and directly under no -smoking -百考试题-signs. There are stiff fines for violating the smoke-free areas, but they are never imposed. "We have more important things to do", says a Paris official. The 1992 laws most controversial provision is the tobacco-ad ban. An exception has been made for motor sports, which are underwritten by tobacco firms. And fans shouted angrily when French TV blacked out a soccer game from abroad because of "secondary" tobacco and liquor ads at the local stadium. Still, those ___(5)___ credit the ad ban for a -百考试题-15 percent 0drop in smoking among French teens in the last three years. EXERCISE: A) without apparent friction in Paris caf é and restaurants B) light up in train stations百考试题(www . Examda。 com) C) doing great harm to the smokers health D) the attempt to legislate good healthhttp://ks.examda.com E) who are against smoking来源：考试大 F) that has always aided lifes petty vices KEY:D F A B E-百考
