Provision for doubtful debts 80 Office expenses due but unpaid 20 Investments income receivable 30

Investments in associated companies 920 Trading stock 700 _____

4,500 4,500 Net profit for the year, after deducting profits tax \$30,000 and interest payments \$23,000, was \$220,000. Required: Calculate

the following accounting ratios for the company: (a) Current ratio (2 marks)(b) Quick ratio (2 marks)(c) Return on investment (or assets)

(3 marks) (d) Return on equity (3 marks) Question 5 (Total: 10

marks) X and Y were trading in partnership sharing profits and losses in the ratio of 1:1. They agreed to accept Z as a new partner. The new profit and loss sharing ratio among X, Y and Z would be 2:2:1. The capital account balances of X and Y were \$100,000 (Cr) respectively. Z was to contribute \$50,000 cash as his capital and also contribute \$200,000 cash to the business as consideration for his share of the goodwill of the partnership. Required: (a) Prepare a statement showing the sharing of the goodwill between the old partners and among the new partners. (5 marks) (b) Make journal entries for Z's contributions assuming that no goodwill account is to be raised. (5 marks)

Question 6 (Total: 10 marks) On 1 May 2002 the cash book of a business showed a bank balance of \$7,712 (Dr) but the bank statement of the same date showed a credit balance of \$10,912. After checking the records, the following information was found: 1. Cheque received in the amount of \$1,000 has been recorded in the cash book but has not been banked. 2. Cheque in the sum \$4,360 has been drawn and sent out but it has not been presented to the bank for payment. 3. A cheque for \$960 was banked but was subsequently returned by the bank marked " Insufficient fund " . No entry has been made for this in the cash book. 4. Interest \$200 has been charged by the bank but no entry has been made in the cash book. 5. A cheque for \$3,700 from a customer has been incorrectly entered in the cash book as \$2,700. It was correctly recorded by the bank. Required: (a) Make adjusting entries in the cash book to show the correct balance. (b) Prepare a bank reconciliation statement from the correct cash book balance to the balance in the bank statement.
