According to government statistics,men of all social calsses in Britain visit pubs quite often,_1__ the kind of pub they go to may be different and their reasons for going there __2__,too.At present,they often take their wives or girlfriends,which __3__ to be the case. The fact is that the Typical English pub is changing,not only __4_ the licensing laws not being so strict as they __5_,but also because publicans are trying to _6__ away with the old Victorian _7__ of the pub and _8__ provide couples with an atmosphere where they can both feel happy.Pubs used not to open __9_ at certain time.The result was that they were usually __10__ with men who seemed to be drinking as much as possible in the time_11__.But the kind of pub is quickly becoming a thing of the past. Curiously enough,the old British licensing laws,which foreigners found so objectionable and absurd ,were_12___introduced as a_13___measure to stop workers drinking in the World War I.__14___,the strong puritanical _15__in Parliament took_16__of the law and_17__it. Opening hours are _18__ limited to eight hours a day,but publicans can now choose which hours _19__ them best.And nowadays you can even get a cup of coffee if you prefer __20_ beer.But in spite of this the Puritans would never dream of admitting that a pub could become a
