练exercise1 His inclination to succumb to flattery made him ----- to the ----- of people who wished to take advantage of him.

A.immune . . predilection B.prejudicial . . intentions C.susceptible . . cajolery D.resistant . . blandishments E.amenable . . rejection 选C

Heres Why: The man in the sentence is “ susceptible ” to flattery.

Because of this “ inclination, ” he is an easy target for people who

use “ cajolery ” (flattery) to get what they want. 100Test 下载频道
