Weekly CET-4 Listening Practice Test 12 Part III Listening

Comprehension Section A Directions: In this section, you will hear 8

short conversations and 2 long conversations. At the end of each

conversation, one or more questions will be asked about what was

said. Both the conversation and the questions will be spoken only

once. After each question there will be a pause. During the pause,

you must read the four choices marked A), B), C) and D), and

decide which is the best answer. Then mark the corresponding letter

on Answer Sheet 2 with a single line through the centre. 11. M: My

leg is still hurting from the fall I had in the basketball match last week.

I wonder if I should visit a doctor. W: Well, it could be due to muscle

injuries. To play it safe, I think you should. Q: What does the woman

suggest the man do? 12. M: Thomas is always late when we have a

meeting. Maybe one of us should give him a ring each time. W: That

's really annoying. But I ' ll volunteer. Q: What will the woman

probably do? 13. M: The restaurant doesn ' t seem to be making

ends meet this year. Don ' t you think so? W: Yes, but there ' s no

competitor along this street. So it ' s probably worthwhile to keep it

running. Q: What can be inferred from the conversation? 14. M:

Would you like to drink another cup of tea? W: I ' d be overdoing it

if I had one more. Q: What does the woman mean? 15. M: Will you

be able to give me the report by tomorrow? W: Well, it still takes time

to estimate the budget. But hopefully I will pull everything together.

Q: What does the woman imply? 16. M: Oh, my god, the soup dried up so fast! W: I told you not to keep the heat on high, didn't I? Q:

What did the woman suggest that the man do? 17. M: That's an

awfully bad color for the bedroom. W: Well, that's the color

Tommy and Alice insisted on. You know how hard it is for them to

make the same decision. Q: What does the woman imply about

Tommy and Alice? 18. M: The novel's been selling like hot cakes

since it was launched last month. W: I understand they will be

running a second print soon. Q: What can be inferred about the

book?100test.com Now you'll hear two long conversations.

Conversation One M: Hi Janice, please come in and take a seat. W:

Well, you would like to check the progress of the website-design,

right? M: Yes, but it seems that we've got some problems with the

BBS. The part-time web designer was not as good as what we had

thought before. She informed us just now that she could not

complete this task. W: Well, didn't you talk with her about what

she should do at the beginning? M: Not really. She was

recommended by Jason and from what he told me, she sounded to

be pretty qualified to do the job. I'm not asking for a terrific web

design but to build up a structure with all the basic elements of web

design. W: Did you ask her why she wasn't frank with you in the

beginning if she couldn't do the BBS? M: I did. But she said it was a

communication problem. W: So now what do you plan to do since

she got the job half done? M: On one side, I will not pay her full fees

since she wasn't honest with me in the beginning. On the other

side, I have to search around for another guy to complete the job. W:
Agreed. That should also teach her a lesson. For us, I think we had
better turn to our Part-time Job Center for help. There, we can get a
professional to work at it. Questions 19 to 22 are based on the
conversation you have just heard. 19. Why hasn't the website been
completed? 20. What was the website designer not honest about? 21.
How did the man deal with the dishonest website designer? 22. What
does the woman suggest about the following steps to be taken?
