对大家有帮助。请大家原谅。 Anchoret says: first, reading. jun says: by what jun says: why you put reading first/ Anchoret says: there is a good way to improve reading Anchoret says: try to get my post Anchoret says: and try to practice hard on the second round review Anchoret says: you can get a framework of rc Anchoret says: and then you will hardly do wrong on some question types jun says: I see your post, that s so great jun says: I should read it again Anchoret says: and then again jun says: I appreciate if you can tell you the link throught message jun says: I will Anchoret says: the third round review will help you to practice what you learned from the second round Anchoret says: do not ignore this round jun says: go ahead jun says: why? Anchoret says: because when i finally take test, i have no tip for any question types. Anchoret says: the tips i summarized are all translated into a feeling Anchoret says: no tip at all jun says: is that shang cheng wu gong? Anchoret says: i can easily correctly choose the answer according to my feelings Anchoret says: no Anchoret says: you have to practice to get those tips all translated into a habit jun says: I will Anchoret says: before you practice, try to think why those answers are wrong? Anchoret says: is there anything common in the wrong answers? Anchoret says: and in the right answers? jun says: oh Anchoret says: try to comprehend what is "related" and what is "unrelated" Anchoret says: do not easily judge jun says: try to comprehend what is "related" and what is "unrelated" ?? Anchoret says: what is "related" and what is "unrelated" information (choice) Anchoret says: that is a very important rule Anchoret says: to quickly rule out some wrong choices Anchoret

says: and the next is jun says: could you give me more infos about related and unrelated Anchoret says: what is conform to the author Anchoret says: what is conform to the authors attitude and what is not (also choices) jun says: I see Anchoret says: if you see jun says: sowaht Anchoret says: try to read the passage again for the attitude info jun says: oh Anchoret says: this is a great rule to rule out some wrong choices jun says: what? Anchoret says: the attitude thing jun says: go ahead Anchoret says: and i can tell you that, i did all the rc infer question without relocate Anchoret says: because i can easily rule out wrong answers jun says: really Anchoret says: memorize the pattern, and try to practice. without practice, you can get nothing Anchoret says: But it is the goal jun says: tell me more Anchoret says: you should do something before hand Anchoret says: first, catagorize all the rc questions Anchoret says: you should guarantee 100% right on "main idea" type jun says: and then jun says: main idea is not very hard Anchoret says: try to collect all detail questions Anchoret says: i mean those with line number or key words 100Test
