My father is a tall man with hard, handsome features, though he looks like a local, a regular guy. Working for a factory as a technical backup, he is a very serious, responsible and well-respected staff member, He used to tell me, " Son, no matter how small the work at your hand may look, it might be an important link to the whole chain, so be faithful. Only when you learn to be faithful in small things will you become faithful in big things." My mother, on the other hand, is a typical housewife who spends most of her time at home, cooking or trying to make everything in house spic and span. What ' s more, she has also taught me many things, one of which is how to manage my personal life with passion and emotion. So I love them very much and always enjoy talking about them.把雅思加入收藏 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
