I guess the main reason for this is that it ' s an outdoors game, and kids can run around hiding themselves in the neighborhood under the sun with a lot of fresh air. It provided me a strong feeling of adventure where i found out a lot about the details in my neighborhood. Since, were always running and hiding from each other, the thrill in this game makes it so easily embedded in our childhood memory. I think this game is very beneficial for our mood and can release our pressure in our school. It also helps with our physical development. Im not an out-going person by nature, but when I played it, I interacted with many of my peers. It expanded my social circle.加入收藏 So much sweet memory about my childhood was made. Now every time I think about the happy and carefree life I had when hide-and-seek occupied my spare time, a feeling of nostalgia still emerges from the depth of my memory. 相关链接：1月雅思考试网友机经汇总月刊 百考试题特别推荐雅思新手入门指导 2009年3月雅思考试最新信息整理 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
