我要收藏 【范文】 Social Practice Social practice is a bridge between their theory and reality. So, in recent years, more and more college students choose to take part-time jobs in or outside school. In the social practice, students are sure to learn more than their textbooks. Their participation in social practice might strengthen their sense of social responsibility. Their close contact with the working people might help them to apply their knowledge to the solution to the practical problem. But many teachers complain that there are fewer and fewer students who pay attention to their study. In my view, it ' s an undenied fact that students break the balance between their jobs and studies, especially when they fall into conflict. But I think students should spend their spare time taking part-time jobs. Timely participation in social practice will benefit them all through their life. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
