Direction: In this section, you are asked to write an essay based on the following information. Make comments and express your own opinion. You should write at least 150 words on Answer Sheet 2. At present, there is no doubt that short message plays an increasingly important role in our lives . We are all aware that, like everything else, short message have both favorable and unfavorable aspects. Generally speaking, the advantages can be listed as follows. First of all, in festivals, we can send short messages to wish good luck to other people we know. It brings us a lot of convenience. In addition, short message connects its users with the outside world. For example, some people subscribe weather forecast or news short messages, with them, people ' s life will be greatly enriched. But it is pity that every

coin has two sides. The disadvantages of short message can ' t be ignored. We spend too much time on spelling our words and sending short messages that we can ' t focus on our studies. Also, you will always be annoyed by strangers ' short messages one after another. As is known to all, short message is neither good nor bad itself. In my opinion, we can use it. But we shouldn ' t spend too much time on it and don ' t let it disturb us from our lives. 答
