Weekly CET-4 Listening Practice Test 22 Part III Listening

Comprehension 我要收藏 Section A Directions: In this section, you will hear 8 short conversations and 2 long conversations. At the end of each conversation, one or more questions will be asked about what was said. Both the conversation and the questions will be spoken only once. After each question there will be a pause. During the pause, you must read the four choices marked A) , B) , C) and D) , and decide which is the best answer. Then mark the

corresponding letter on Answer Sheet 2 with a single line through the centre。 11. M: So we ' re meeting at eight-thirty in front of the hall, right? W: Well, how about thirty minutes earlier? Would you like to

get something to eat before the concert? Q: What does the woman suggest? 12. M: I don ' t know, Jane--- things seem to be going from bad to worse. Some times I get the feeling that they just seem to take

me for granted. If only I had a job or something---then at least I ' d feel I was really doing something。 W: Well, you know, Tom, I quite understand you。 Q: What have you learned about the man? 13. M:

I heard on the news that the ocean is twice as dirty as it was a few years ago。 W: That ' s upsetting. It ' s frightening to see the environment being destroyed. I ' ve never understood why some

people would want to destroy it。 Q: What are they talking about? 14. W: What ' s wrong with your car? I was told that it was stolen.

Others said that it was broken. I hurried here to find that it wasn't here. M: It's a mistake. Susan borrowed mine because she had an accident and broke hers. Q: What does the man mean? 15. W: Here's this week's schedule. On Monday, there's the board meeting. Your speech at the Lion's Club is on Tuesday. Then, on Wednesday, you're supposed to see the dentist. M: I'm glad I don't have to travel to the business conference until next week. Q: What will the man do on Tuesday? 16. M: They may be proud of their new facility, but frankly, I'm disappointed. The nurses are friendly, but everything seems to be running behind schedule. W: Not to mention the fact that it's noisy because no one observes visiting hours. Q: What are the people in the dialogue discussing? 17. M: I'm tired of Bill's remarks. I don't know why he wants to look at everything in such a negative way. W: Why don't you do what I do, John, and take his comments with a grain of salt? Q: According to the woman, what should John do about Bill? 18. M: Your new dresses are beautiful. Where did you find them? W: Well, I bought three of them while I was on vacation in Chicago, but I made the other one myself. Q: What can we conclude from the above conversation? Now you'll hear two long conversations. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
