You will hear five different people talking about the relocation of their business premises. For each extract there are two tasks. For Task One, choose the reason given for deciding to relocate the company premises from the list A-H. For Task Two, choose the problem described that arose after the relocation from the list A-H. After you have listened once, replay the recording. Task One - Reason For questions 13-17, match the extracts with the reasons, listed A-H. For each extract, choose the reason given for the relocation. Write one letter (A-H) next to the number of the extract. 13 A to cope with increased orders B to accommodate new equipment needs 14 C to share premises with new parent company D to improve public relations 15 E to reduce overheads 16 F to make more efficient use of space G to avoid problems with a contract 17 H to be nearer suppliers Task Two - Problem For questions 18-22, match the extracts with the problems, listed A-H. For each extract, choose the problem that arose after the relocation. Write one letter (A-H) next to the number of the extract. 18 A unfavourable publicity B dismissal of manager 19 C decrease in productivity 20 D staff transport difficulties E inadequate staff facilities 21 F too few new staff recruited G increase in communication costs 22 H lack of time for training ANSWER
