How should we read? Should we read selectively or extensively? Everyone has his own view. (启)

注：1.第一句提出问题，第二句提出两种见解 Some people think we should read selectively. They argue that with the development of modern science and technology, more and more books are published. It is impossible for us to read all the books.

Whats more, there are many bad books that are poisonous to our mind, and we shouldnt read them. Since we cant read all the books and we shouldnt read bad books, we must read selectively. (承)

注：1.本段总分总结构 2.they argue that = they think that 3.with the development of... 4.whats more 递进关系，moreover But

others may not agree, they emphasize that todays society is not what it was. If one man has many kinds of knowledge, he will have more chances to succeed. If a man knows much in one field but knows

nothing in other fields, he may be useless. Since we must have many kinds of knowledge, we must read extensively. (转) 注: 1. But 转折词 2. they emphasize that = they think that 3. today's society is not what it was 现代社会今昔非比 4. 许多知识 a wide range of/a large scope of/much ; 获取知识 acquire/get knowledge 5. knows nothing

little ; he may be useless he may not be of great use to the society 后者比前者更委婉 Whos right? I think both of them have something right. But I think we should read extensively first. We should read books in many fields, and read selectively in one field.

(合) There is a lot to be said for both sides on the argument. But I hold the opinion that..... 11分

When it comes to reading, some people think that reading selectively is a good way, but some other people do not agree with them, they think that reading extensively is better. Those people, who think that reading selectively is better, believe that good books are as many as bad books. Those good books can give us pleasure and knowledge, while those bad books can only lead us to the wrong way. So, they suggest that we should only choose the good books to read and never touch the bad books.

注: 1. "people, who" 应去掉逗号, 改为非限制定语从句。

2. they suggest that = they think that 3. touch 碰, 闪光点词汇, 如教材P7: shoulder the responsibility of doing sth. 肩负起责任 But, the other people, who hold that reading extensively is better, think that one kind of books can only give us one aspect of knowledge. Even the best book only contains one field of information. So, they can easily come to the conclusion that "to know more, to read more". So they believe that reading extensively is better. To my point,

we should choose good books to read and read good books as many as possible. By this way, we can increase the quality and quantity of reading. 编辑推荐：名师指导公共英语阅读考试技巧 公共英语pets三级全真模拟试卷 公共英语pets二级语法讲解汇总
