While enjoying the convenience that private cars bring us, we should not ignore the problem they create/ produce/ introduce/ make. Despite/ In spite of/ For all the advantages, they brings their own disadvantages/ problems/ negative effects Like anything else, private cars also have their own weakness/ limits. However, private cars are not without shortcomings/ faults. Yet other speak of the problems private cars have brought. They complain that..... However, private cars may also bring with it problems our society had not previously faced. Despite the increase in efficiency and convenience generated by private cars, the changes they bring could very well lead to potentially adverse consequences. 否定段的分论点：
占有空间 On the one hand, private cars take up/ occupy too much space. 交通事故 On the other hand, a driver should be careful/ cautious while driving, otherwise, car accidents are more likely to happen. 污染环境 What ' s more/In addition, private cars give off/ discharge/ release CO which pollute the environment/ air. 注意：所谓上义词是指抽象、概括和笼统的，就是比较superordinate的词.而下义词就是具体的东西，即subordinate

的东西。 第四段(总结段)的写法：我要收藏 Despite all the disadvantages mentioned above, I still think that the advantages outweigh/ are greater than the disadvantages. As for the above problem, I ' m sure they will be settled by the scientists in the future/ It is only a matter of time for the problems to be solved.

Unquestionably, the challenge of private cars means we all should consider how we can control them, so that they will not control us.

Whether the private cars are a blessing or a curse is a difficult question to answer, yet the desire for the comfort and independence a private car can bring will not be eliminated. Anyway/ Anyhow/ In any case, whether the effect is good or bad, one thing is certain: private cars have changed and will continue to change the way of our transportation, our leisure and our life. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
