美国公司工作。他这两天遇到了感情困扰，去找美国同事Amy讨个主意。(Office ambience) C：Amy,我有点私事儿想

请教你。 A：What is it, Chen Hao? C：销售部来了一个新的女同事，叫Kate.我想请她出去约会。 A：Then why don't you?

C：因为我不知道咱们公司是不是允许同事谈恋爱。在我原来那家公司是绝对不行的。我要收藏 A：You're smart to

check it out first. We used to have that policy, but our management decided that we spend so much time at work and with co-workers

that it wasn't fair to impose that restriction。 C：太好了，那我就准备约她今天晚上出去吃饭。 A：But there are a few issues

you should consider if you are going to date Kate or any other

co-worker。 C：你快说说。 A：Before you get serious, you need to discuss what you will do if things don't work out. You will want

to avoid any bad feelings between you。 C：是啊，我也是希望万一不行的话，彼此都能妥善处理，不要在工作上相互拆台。

A：That's exactly what I mean. I have seen it happen. When co-workers stop dating, one or both will often try exact some sort of

revenge in the office。 C：哎，先别想那么多了，人家还没同意晚上跟我出去吃饭呢。 MC：Amy第二天早上遇到了陈豪。 A

：So how did your date go? Kate did accept, didn't she? C：挺好的，我们俩儿特别投机。不过，Kate说，跟同事谈恋爱，她也有不少顾虑。 A：What did she say? C：她觉得，最好不要

在办公室里谈我们的关系，如果别人问，我们也不否认谈恋爱，但是不会说得更具体。 A：Even if they pressure you? Some people can be pretty nosy and persistent. They ' ll want to know every detail of your relationship。 C：我们会婉言拒绝。 A：I guess you ' ll be seeing her again。 C：不瞒你说，我已经被她迷住了，老想找个借口往她办公室跑。 A：That is another danger of dating a co-worker。 C：你是说工作的时候容易分心吗？ A：That ' s right. If your productivity and performance begin to suffer, others will notice and you will jeopardize your position。 C：对呀，如果真的影响到工作，对我们在公司的发展不利。这一点我倒是没想到。 Amy, 你再提醒提醒我，都需要注意些什么？ A：The first thing is to know the company policy. Decide how you will handle the relationship around the office and what you will do if things don ' t work out。 C：我知道了。 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
