For this part, you are allowed 30 minutes to write a short essay on the topic Private School? You should write at least 150 words following the outline given below in Chinese: 1. 当前，社会上有很多私立学校和培训学校。 2. 私立学校的利与弊 3. 你的看法 范文： It can be noticed that a large number of private schools or training organizations become a new landscape in education. When you read newspapers, when you watch TV, when you walk on the road, you will inevitably see lots of advertisements about private schools. There are private schools mainly dealing with foreign languages, computers, music and sports. However, is it a good or bad thing to have so many private schools? As a coin has two sides, so are the private schools. On the one hand, private schools can meet the special needs of the society or the particular requirements of people. On the other hand, they often bring people extra burden because of comparison and competition. When asked to decide whether we should have a society without private schools or a society with private schools, I will not hesitate a moment to prefer the latter. Although attending a training course will result in the extra cost or burden, it is of tremendous merits in preparing my work and cultivating my skills. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
