: Bum和ticker. (Telephone rings) LH: 嘿！Larry, 你今天下午有空吗？想不想和我去打网球？今天天气真好！ LL: Im sorry, Li Hua, but my bumknee is bothering me. I dont think its a good idea to play tennis right now. LH: 你的膝盖怎么啦？Bum knee, 那是什么毛病啊？ LL: I have a bum knee means that there is something permanently wrong with my knee. LH : 原来 a bum knee就是一个膝盖以前受了伤而落下了毛病，也就是老毛病。Larry，你什么时候受的伤，我怎么不知道哪？我要收藏 LL : I tore a tendon playing soccer several years ago, and now my knee hurts once in a while and it doesnt always bend well. LH : 噢，你几年前踢足球的时候受的伤，所以不时会感到痛，还不能弯。我爷爷年轻时腿也受过伤，现在只要一下雨，他的腿就会发作。 LL: Yes, having a bum knee or leg is very common, particularly among former professional athletes. LH: 就是啊，这种伤害对职业运动员来说都是常见的。我倒是很惊讶那些美式足球队员，打起球来横冲直撞，居然还能走路。 LL: Yes, well many of them do suffer from a bum leg, a bum knee, or a bum shoulder. LH: 嗯，他们的工资非常高，据说有的年薪都上百万呢！筋骨受伤大概只是个小小的代价吧！ LL: Thats true, but not all of them make that much money and they still suffer injuries that leave them with a bum joint. LH: 当然不是每个球员工资都那么高的。工资

低的也经常会受伤的。 LL: Li Hua. I would play with you if I could. Try to find someone who can play with you. If you cant, give me a call and we can watch a movie or something. LH: 我要是找不到打球的伴再给你打电话。看个电影也挺好。 ***** LH: Larry, 我找不着人和我打网球。你还想去看电影吗? LL: Im sorry, I cant. My mom just called to tell me that my uncle is in the hospital because he has a bum ticker. I should go and visit him. LH: 你要去医院看望你叔叔, 他怎么啦? Larry, 你说你叔叔得了什么病, bum ticker? 什么是ticker? LL: He has a bum ticker. Ticker is slang for ones heart because your heartbeats similar to the way in which a clock ticks. My uncle has a bad heart. LH: 噢, 原来ticker是指心脏啊! 对, 心脏是像钟表那样滴滴答答地跳动。 Larry, 你叔叔心脏病发作呀? LL: No, he just had some pains in his chest. He knows that he has a bum ticker, so he went to the hospital to have it checked out. LH: 原来他是因为胸口痛才住院。希望他没事。我爸爸的心脏也不好, 所以医生特别叮咛他要小心, 避免压力太大。 LL: Well, weve warned my uncle to take care of his old ticker, but he doesnt listen. He still eats junk food and he has a very stressful job. LH: 看来你叔叔不是个听话的病人。心脏不好的人应该要避免吃垃圾食物。或许你叔叔这次出院后, 能意识到要好好照顾自己的心脏了。 LL: I hope so, but he has already had a heart attack and surgery, so I doubt hell change his habits because of a few chest pains. LH: 他已经发作过心脏病, 还动过手术! 那看来胸口痛是不会促使他改变饮食习惯了。得了, 你还是赶快上医院去吧, 我明天再跟你聊喽! LL: Okay, bye. 特别策划: 时尚小白领的最in的英文名 100Test 下载频道
