Charlotte: It takes half the total time you went out with someone to get over them. Miranda: You gotta cut your losses and get back in the game. You gotta = you ' ve got to = you have got to= you ' ve gotta
Carrie: Was Charlotte right? Were we supposed to get over an ex in a slow, painful way? Or should we just ignore all the bad feelings and throw ourselves back in the game? In a world where leaving each other seems to be getting more and more frequent, what are the break-up rules? 我要收藏 The guy: Whatever you do, man. Don ' t cry! ' Cause if you do get back together again, then, like you ' re the guy that cried. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
