有考生留言问我关于雅思听力中的大小写问题，到底什么时候要大写，什么时候不用大写，会不会因为没有大写而扣分？

其实，国内很多烤鸭都有同样的疑惑，为了求证，我这两天专门给雅思官方（ESOL）发邮件，希望得到他们关于这个问题的解释。以下是我发的邮件内容：

Dear Esol, I am an IELTS teacher in China. Here I have a question regarding IELTS Listening. Many students are confused about the capital letter in Listening Test. When is it necessary to capitalize the first letter? What is the safest way to deal with this "capital letter" problem? Say if we put the answer all in block letters, is it acceptable? Will the student be punished simply because he does not capitalize the initial letter? I have checked the Past Sample Papers like Cambridge IELTS 4,5 & 6 and I found some answers which are in capital letters hard to explain. So please help clarify this question and I believe it is a very common question to Chinese students. Thanks and best regards.

You Wenfeng 雅思官方很快作出了回复，以下是原文内容：

Thank you for contacting Cambridge ESOL. Please find below an update to your call: Original Call Description: IELTS Listening - use of capital letters Logged on: 18/05/2009 at 16:20:19 Update: Dear You Wenfeng, Thank you for your enquiry. In IELTS listening candidates are allowed to write their answers in upper or lower case. I hope that this is of assistance. Kind Regards Elizabeth Jones ESOL

Helpdesk Cambridge ESOL Customer Services 所谓的 In IELTS listening candidates are allowed to write their answers in upper or lower case意思就是说大小写都行。其实，可以看得出来，雅思官方改卷时还是很机动灵活的，不像一些老师所说的那么死板。当然，我建议烤鸭们该首字母大写的尽量还是应该大写，不过没必要因为大小写问题给自己太大的压力。相关链接：1月雅思考试网友机经汇总月刊 百考试题特别推荐雅思新手入门指导 各国高校认可雅思考试成绩名单及分数要求 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
