Recently, people are invariably confronted with such a question () ? There is no consensus between two parts of people. Concerning the controversial issue, some claim that is undeniable () While others maintain that () From where I stand, I am inclined to the view that () Let me expound it from three aspects. Firstly, () Secondly, a fitting example can illustrates it () Therefore, it is no exaggeration to say that () Apart from the two factors above, there is another vital aspect deserving some words here..... Admittedly, () However, the disadvantages of () are obvious. As I have mentioned above, () Therefore, I reinforce my standpoint that ()
