You may prefer to skip some sections of this script, such as those that provide possible answers in context for questions that involve filling in blanks. These sections will be identified at their beginning by the phrase "Begin skippable content," and at their end by the phrase "End skippable content." Directions for Questions 1 through 5: Each of the following questions includes a sentence with a blank indicating that something has been omitted. Following the sentence will be a list of six words or phrases, each of which could be used to complete the sentence. Select the two answer choices that, when used to complete the sentence, fit the meaning of the sentence as a whole and produce complete sentences that are alike in meaning. Question 1.
