Hello, person who is calling, time, day, place, purpose Analysis: Call 1 and 2 are precise and call 4 and 5 are quite difficult. Call 3 is intended to be in-between. Call 3 Call 3 is relatively concise. However, it is difficult for the use of socializing added in before Sue gets down to the

message (How are you? I hope you 're not too busy...). They may also find her use of phrasal verbs difficult (work out, put back). Sue also uses a rather British way of asking for postponement (I don 't suppose..., could we?). It may be helpful for her to say when exactly she called and to give her number. Call 4 Call 4 is longer and it is therefore difficult to retain the message. One reason is that Colin includes unnecessary information (e.g. I 'm traveling to a meeting with a client). The purpose of the call comes rather late and the sentences are very long, with more than one idea in each. It may be more helpful to leave his number at the end rather than near the beginning of the message. Once again, it may be helpful to say exactly when he rang. Call 5 Once again, Call 5 is quite long. Steve uses many of the features of British English mentioned in the article: understanding (e.g. a little bit on the optimistic side), get used with different meanings (e.g. which I 'll get off to you today), and a generally idiomatic approach to language. Again, Colin could say when he called and give a telephone or extension number. Taking messages
