can sell more this year in light of the market conditions at your end.
-What annual turnover would you suggest for the new agreement then? -Shall we put it at 450 pieces? -For every pieces sold in excess of the quota, Well give you 1% additional commission. -As our sole distributor, you are not expected to handle the same or similar products of other origins. -We would like to receive from you every six months a detail report on current market conditions and the users comment on our products.
