Welcome to the travel agents to participate in our youth a two-day tour of the Mission Zhaoqing. Today, accompanied by everyone fortunate enough to visit, I am very happy, hope you will be able to share good times together. First of all, to introduce myself. I am a tour guide this trip, I called XXX, you can call me or Zhu Ming Tsai on the list. Now, I have to talk about the journey we are most concerned about, take a look at what we have to go to fun places to play. This is the tour we Zhaoqing, Zhaoqing is a national historical and cultural city, the first batch of Chinas excellent tourist city. To Qixingyan, Dinghushan Xinghu composed of scenic spots is the first batch of key national scenic spots and is also the first batch of ten national demonstration sites of civilization, one of the tourism landscape. First of all, our first stop today is going to Qixingyan, Qixingyan, the lake area of 530 hectares, of Yanfeng 7 tall and straight, the sky like a big dipper. Lake in the mountains, the mountains are holes, the holes have a river, known as the "first Lingnan wonders." The "wonders of the Lingnan first" name the Qixingyan located on the northern outskirts of Zhaoqing. Seven different forms of limestone stacks standing lake, the Big Dipper layout of the shape of the sky, named "Qixingyan." Wind Langzhong named Rock, yuping rock, stone chamber rock, Tianzhu Rock, Toad Rock, Rock仙掌, the Arab-Israeli rock slope. Lake Qixingyan

five or six posts, seven rocks, composed of eight holes. Out of seven Weizhi Beidou Yanfeng as mounted on the 6.5 square kilometers of the lake rippling blue waves, constitutes a picturesque landscape like. east fairy Buddhist concept, the Millennium Temple (a m-dong). West wave Zhaohui sea. south gate the night, the first musical fountain in Asia. north Awa springs (dual-source-dong), Eastern Buddhist temple (500 Ocean Island). in yuping Pinnacle, champion Liu-fang, the moon in the water rock clouds, Shishi possession odd poem Millennium Gallery, Tianzhu Reaching for the Stars, such as wind 仙掌 spots, favorite people to linger. Qixingyan to set "Mountain Guilin, Hangzhou Water" and is famous at home and abroad. Qixingyan is located in the City Center, backed by mountains, Northridge. Qi Zhi 7 out because if the Big Dipper, it got its name. Qixingyan many legends of the origin, it said that the seven peaks Qixingyan Nuwa 7 Sky-Hole Patching Lingshi left. there are said to be the envy of the world the sky seven fairies, independence and love zhaoqing 下凡 not return, and so on. Qixingyan the opening of the Tang Dynasty began in the early years, after which both the development and construction of history. After new China was founded, through the rationale for mountain water, landscaping, repair of monuments, adding a new downturn, the construction of tourist facilities, so that even more fascinating charm Qixingyan. Approval of the State Council in 1982 to become the first national key scenic spots. Langzhong Qixingyan Scenic Area by the wind, yuping, Shishi, Tianzhu, toads, 仙掌, slope, such as Afghanistan and East Lake 7 Qifeng, Qinglian Lake, Center Lake, Baltic lake, Lake in

the composition of the five Great Lakes. The whole ring of water around the scenic mountain, pavilion pavilion pavilion, shimmering rock video, the issue as a whole, the best natural scenery, to have "the first wonder of Lingnan", "human-xian JING", "natural landscape bonsai" of reputation. Over the years thousands of famous people do not know how many letters dumped and left countless poems. "West Lake water by a circle, but also shift reactor Yangshuo Mountain 7.堤边Liu added fishes, long frame between heaven and earth to stay." Chairman Ye Jianyings poem summarizes the Qixingyan highly poetic landscape. Attractions Qixingyan many of which pay homage to the arch of the landscape, Pinghu Youtong embankment, Langzhong Sunset Wind, yuping Pinnacle, Shilin kurtosis bones, Hongqiao雪浪, the moon in the water rock clouds, song get on Taiwan, Tibet odd stone chamber, the Millennium Poetry Gallery, Ha Young-ok, Tianzhu Reaching for the Stars, Lianhu boating, the Arab-Israeli slope springs, stay drunk桂轩, cups peak floating green, open days, Cave, soul on Songtao,仙人掌wind, Zhaohui, such as Baltic 20 King. Walls and then to Song, Mei Um, white mother of Sharon Temple, the last dianthera Park. Then we will stay tonight, Zhaoqing City International Hotel. After dinner, we also show the evening is to Zhaoqing Square arch to see Asias first laser-music musical fountain, and Sung Dynasty Village cultural show Zhaoqing Zhaoqing --- Paul Plaza building in the simulation, "Sung Dynasty Village," will be the Millennium Song Zhaoqing culture, enrichment about 4500 square meters in one of the "Sung Dynasty Village", the overwhelming majority of tourists to visit for three months free of charge. The cost

of laser musical fountain musical fountain is 4.28 million yuan, for the fan-shaped fountain, points up and down the two pools, upper and lower pool 88 meters outside the arc length, arc length within 78 meters, 15 meters wide. The pond along the South (positive) on both sides of face and under the pool arrangement, the three meters wide, the pool of water to 1600 tons per hour down the flow of直泻form or water. Pool Fountain South (positive) surface for more than 40,000 square meters of Paul Place, the North (rear) side Xinghu wide lake, against the back0drop of the famous Lake Qixingyan (mountain).相关链接：2010年广东导游资格证考试口试：越秀公园英文导游词2010年广东导游资格证考试口试：韶关南华寺英文导游词 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
