总 “高” 手过招高中生如何迎战托福 Interdependent interaction from insurmountable to interject The board meeting of International intercom inc. was proceeding at its usual pace: a boring meeting. The chairman was holding forth: ” My fellow board members, we have achieved much over the past year, and there should be no insurmountable obstacles to further intensifying our already intensive cooperation and interaction between all of our associated Internet companies throughout Asia, ” the chairman declared. Everyone attending the board meeting was in a state of intense concentration, trying to look as intelligent as they could. Being the intellectual that he was, intelligence was the chairman prized most, even more than integrity (although he was a stickler for that, too). “ I have every intention of integrating our business into one integral whole, while leaving the existing corporate structures intact, however. 显然，董事长的远见是由一个具备极高智力的人设想出来的。这是他的董事同仁们如此敬畏他的原因。他们非常敬重他的智力的威力，尽管他们并不总是觉得他的话特别明白。事实上，他们中的一些人几乎忍不住要打呵欠，但是，他们中当然没有一个人敢在董事长正起劲讲话的时候突然插入小
