31 V1 需要两边分析的,直接就是要求给策略的 How effectively make student(大体是学生的意思) learning from quality others than learning from quality teacher. 大体意思是 怎么有效的让学生向更好的学生学习 更胜于向好老师学习 V2 How effectively one learns in the class depends more on the quality of the other students than the quality of teacher. 32 V1 Best teachers are those who teach students to challenge the morderm ideas not accept..... V2 The best teachers are those who expect students to challengepopular ideas rather than accept them. 33 V1 因为科学和商业领域的科技革新，人们的生活质量在很多方面空前的提高了 V2 advancement of Technology and business make our society better than ever. 34 “ Businesses and other organizations have overemphasized the importance of working as a team. Clearly, in any human group, it is the strong individual, the person with the most commitment and energy, who gets things done. ” 35 “ No one can possibly achieve any real and lasting success or ‘ get rich ’ in business by conforming to conventional practices or ways of thinking. ” 36 Governments should not be responsible for regulating businesses and other organizations. Instead, society would benefit if the organizations themselves assumed most of the

responsibility for establishing and enforcing their own standards and regulations. ” 37 V1 A most experienced candidate is always the best for the leader position. V2The most experienced candidate is the best candidate for leader position. 38 “ All citizens should be required to perform a specified amount of public service. Such service would benefit not only the country as a whole but also the individual participants. ” 39 “ Nations should cooperate to develop regulations that limit children ’ s access to adult material on the Internet. ” * *The Internet is a worldwide computer network. 相关
