直接表达，关系词并不是必须的，而是一种很好的选择。在口语中的连接词和常用的拓展关系词不需要用的非常难，只需要记一些常用的就可以了。 × not, hardly, rarely lead to, result in, contribute to, give rise to in order to, so that, to because, since, for, due to because of, owing to thus, therefore, as a result ...such as, including, no matter...or, whether...oregfor example, for instance, take...as an example although, but, though, yet, however, on the other hand, on the contrary, in spite of, despite = as, like, similar to, in the same way, just like, just as + advantage, benefit, merit, upside, plus point - disadvantage, drawback, problem, demerit, downside, minus point compared with, different from, beat, in contrastespActually, in fact, especially, indeed, sure, without any doubt, best of all, worst of all 我们以下面这个卡片为例来详细说明提纲的拓展： Describe A Dish Describe one of your favorite dishes. You should say: From whom you learnt to cook it. How this dish is cooked. Who you usually cook for. And explain why you enjoy it. Steamed fish: 1.

× cook steamed fish. parents ' house, miss ask to teach I am not much of a cook, but I do cook one dish wellsteamed fish...When I moved out of my parents ' house, I missed it so much that I asked mom to teach me how to cook it. 在这里我们可以先用反衬的手法来突出清蒸鱼是我的拿手菜。所以在提纲中显示了一个让步。还原到口语中则用了but进行了连接。接下来论述自己非常想念清蒸鱼的味道，从而要母亲教我如何烹饪。在原文中以so...that来做成连接。 2. easy fish, live, fresh. ingredient... procedure... fish, ginger, spring onions, mushrooms, chili. dish, soy source, water, rest of ingredients. rack,

wok 提纲中的ingredient...和procedure...提示要列举配料和制作方式，在这里没有用连接词表示，而是用句子直接论述了。 You also need ginger, spring onions, mushrooms and chili. First, clean the fish, cut the stalks of spring onions to almost 2 inch lengths, slice ginger and cut up mushrooms and chilies... 当然，我们也可以用连接词表述，如：You also need to prepare all the ingredients, including ginger... 3. special occasion... friend, family. steaming flavor. healthy steamed fish junk food, takeaway Fish is a dish that the Chinese usually make on special occasions. I continue cooking the steamed fish on birthdays, parties and festivals because my family and friends loves it. Steaming is the purest way to cook fish to bring out the delicate sweet flavor of it. Plus, it is healthy. It sure can beat any junk food or crappy takeaways. 在这里occasion...的拓展也没有使用连接词，而是在句子中直接体现了。当然，我们也可以把它改成：Fish is a dish that the Chinese usually make on special occasions such as birthdays, parties and festivals. 列好提纲对于第二部分的考题回应是非常重要的第一步。如果我们在有限的时间里很好的完成了这个步骤就能确保自己回答时逻辑清晰，思路顺畅。同时学习一些常用的拓展方式能够非常有效的组合句子，提高回答的质量。把百考试题外语站加入收藏夹 100Test 下载频道开通，各类考试题目直接下载。 详细请访问 www.100test.com
