电影类的考题几乎每次都出，同学们都见怪不怪了，考官对于大量雷同的回答方式也烦，所以想考高分的同学，一定要有自己的风格回答，吴老师给你们参考答案是拓展你们的思路，更重要的是表达自如，感觉不像背诵。

Do you like watching movies? / How often do you go to the cinema? Definitely, watching movies is my cup of tea. You know, I ' m always busy in studying. But I will go to the cinema as often as possible, maybe once every other week because it is one of my favourite ways to relax. I believe films are a wonderful form of art. Many of my friends have the same habit, so we always go to Wanda International Cinema on weekends together, which I think is the best cinema in Beijing. Why do you like to watch films? Firstly, I think watching films is a good way to relax. You know, when watching a film, I will throw all of my emotion to the story so that I can forget nearly everything about myself, especially the troubles. Also, I can learn many things from the roles in films, for example, I learned how to join forces to fight again devil from my favourite movie gt.. Do you like to watch films in the cinema or at home? I prefer watching films in the cinema, absolutely. You know, the atmosphere and the sound effect are prefect in the cinema, which you cannot feel at home, facing a small screen, especially for scientific and horror. So you can understand the story and the roles ' emotion better, also you are able to learn more from the films. What kind of films do you

like? I love fancy film the most. They are full of magic, imagination and creativity. I believe only imagination can make our real life more colorful. My favorite movie is *Harry Potter*, which is typical of this kind of movies. I admire J.K.Rowling, the producer of it. I really wonder how those wonderful ideas came from her head! Who is your favorite movie star? My favorite movie star is Yang Ziqiong, who is very famous not only in China but also in Hollywood. She is one of the earliest actresses accepted by Hollywood and became popular in the world. She 's good at martial arts. She 's not very beautiful but her kongfu is really amazing, quick, clear-cut and powerful. I think she 's the proud of China, not only for her position in Hollywood, but also because she spread Chinese traditional kongfu in the world. What 's the difference between American films and Chinese films? I think the biggest difference lies in the purpose of the film, result from the level of freedom. You know, most of Chinese films just describe an ordinary story and focus on teaching the audience some principles, because the government controls the contents of films stringently. But because of freedom, the purpose of most American films is to give audience an impressive shock, and then earn enormous profits. 相关链接：1月雅思考试网友机经汇总月刊百考试题特别推荐雅思新手入门指导 2009年4月雅思考试最新信息整理 各国高校认可雅思考试成绩单及分数要求 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
