It is not necessary to attend an IELTS preparation course though it is, of course, a good idea to prepare thoroughly for the test. An order form is given at the end of this Handbook for an Official IELTS Practice Materials pack. This includes a full practice test with an answer key and a CD of the Listening test and sample Speaking tests, so that candidates can get some idea of their level and familiarize themselves with the format of the test. There is also a wide range of published preparation materials. (Examda.com) Each candidate takes four tests, one in each of the four skills Listening, Reading, Writing and Speaking. Listening Duration and format The Listening test takes around 30 minutes. There are 40 questions and four sections. The Listening test is recorded on a CD and is played ONCE only. During the test, time is given for candidates to read the questions and write down and then check their answers. Answers are written on the question paper as candidates listen. When the recording ends, ten minutes are allowed for candidates to transfer their answers to an answer sheet. Task types The first two sections are concerned with social needs. There is a conversation between two speakers and then a monologue. For example a conversation about travel arrangements or decisions on a night out, and a speech about student services on a university campus or arrangements for meals during a conference. The final two sections are concerned with

situations related more closely to educational or training contexts. There is a conversation between up to four people and then a further monologue. For example a conversation between a tutor and a student about an assignment or between three students planning a research project, and a lecture or talk of general academic interest. A range of native-speaker English accents are used in the recordings which reflect the international usage of IELTS. A variety of questions are used, chosen from the following types: #8226. Short-answer questions #8226. Note/summary/flow #8226. Labeling a diagram #8226. Matching Marking and assessment One mark is awarded for each correct answer in the 40-item test. A confidential Band Score conversion table is produced for each version of the Listening test, which translates scores out of 40 into the IELTS 9-band scale. Scores are reported in whole and half bands. Care should be taken when writing answers on the answer sheet as poor spelling and grammar are penalized. Reading Duration and format The Reading test takes 60 minutes. There are 40 questions, based on three reading passages with a total of 2,000 to 2,750 words. Texts and questions appear on a question paper which candidates can write on but not remove from the examination room. All answers must be entered on an answer sheet during the 60-minute test.
