Some people say that the countries and individuals should protect them from dying out. While others say we should concentrate on the problems of human beings rather than animals. Discuss both view and give your own opinion 7.16来源

: www.100test.com With the development of technology and science, some people believe that there is no great value of artists such as musicians and painters. What are the things artists can do but the scientist cannot? Why should we encourage the art area? 7.28 In universities and schools, female students are encouraged to learn some subjects of arts. However, male students are encouraged to learn something of science and technology. Why does it happen, and how does this trend develop in the future? 7.30 Some people think government should ban dangerous sports, others, however, believe that people should have the freedom to do whatever sports they choose. Discuss both views and give your own opinion. 相关推荐
